**MEMORANDUM FOR:** Executive Secretary, U.S. Intelligence Board

**SUBJECT:** Procedures for Dissemination of the National Intelligence Survey to Foreign Governments

**REFERENCES:** (a) IAC-D-45/12 (Revision 6 of Part I) of 27 December 1957  
(b) IAC-D-115/2 of 17 June 1958

1. The NIS Committee recommends approval by the Intelligence Board of the attached revision of "Procedures for Dissemination of the National Intelligence Survey to Foreign Governments" to reflect the change of policy on release of classified military intelligence to foreign governments as set forth in reference (b). The revision also contains other changes to bring the text and area lists abreast of latest NIS Committee and Intelligence Board actions.

2. The NIS Committee further recommends the deletion of Part II, "Approved Dissemination of NIS to Non-Intelligence Departments and Agencies," since the NIS Committee is already empowered to act for the Intelligence Board in approving such dissemination by IAC-D-45/12 (Revision 6 of Part II) dated 12 March 1956, and actions relating thereto are fully reported in the official proceedings of the NIS Committee.
